We have received the Environmental Assessment concerning the above project from the State Clearinghouse.

We note that there is a statement concerning archaeological survey of high probability areas within the project area. We previously agreed to this course of action and look forward to reviewing the survey report.

The above comments are made pursuant to Section 106 of the National Historic Preservation Act and the Advisory Council on Historic Preservation's Regulations for Compliance with Section 106 codified at 36 CFR Part 800.

Thank you for your cooperation and consideration. If you have questions concerning the above comment, please contact Renee Gledhill-Earley, environmental review coordinator, at 919/733-4763.
